This looks good.

Brian – We can start finalizing the citation. To do that you will need to sign the two copies along with a copy of the check to the U.S. Environmental Protection Agency, Region 5 – Underground Storage Tank Program, 77 West Jackson Boulevard (LR-8J), Chicago, Illinois 60604-3590. You should send the check and a copy of the field citation to U.S. Environmental Protection Agency, Fines and Penalties, Cincinnati Finance Center, P.O. Box 979077, St. Louis, MO 63197-9000. The check should be made out the "Treasury of the United States" include the Field Citation Form Number (located at the top of the Field Citation) on the check.

If there are any questions please give me a call.

Thanks.
